

St George's Day parade and activity fun for all!

Open Air St George's Day on Sunday 24th April 2022 – bringing the whole District together

Meet at the **Stag Theatre Car Park at 2.10pm**, parade sets off at 2.30pm.

We will march along the High Street then onto Seal Hollow Road, before turning down Plymouth Drive to Lady Boswell's School where we will hold our Scouting promise renewal service and awards presentation on the playing field.

Park in the leisure centre car park for free before the parade, as there is a pedestrian exit from the school.

Parents can watch from the side of the High Street then fall in behind the main parade to the school for the promise renewal ceremony and activity fun after the service or

Volunteer to support this event either as a road marshal, oversee an activity base or help with refreshments

Around 3.15pm, after the ceremony, Squirrels, Beavers and Cubs will be released back into your care to take part in a series of short activities and challenge bases provided by each group, recording them on their own "passport" card, that contribute to badgework. Scouts will have their own area for some competition style challenges.

We expect to be finished around 4.30/45pm.

Uniform should be worn if you can and can be ordered from our local shop online
